

# Calgary Work Integrated Learning Pilot Project

## June 2023 Updates

# BUILDING CALGARY'S TALENT BY CONNECTING EDUCATION TO WORK EXPERIENCE.

## Project Highlights

- Our internally hosted Community of Practice event brought together our partners for a morning of learning and conversation.
- Our PSI partners have validated 8 process maps in the month of June.
- The Employer Engagement team can now post an opportunity to the portal on behalf of an employer.
- 10 portal issues have been solved in the month of June.
- 8 process maps have been validated and received positive feedback from post-secondary partners.
- The TalentED YYC website had 382 unique visitors in the month of June.
- The TalentED YYC LinkedIn page is now live

We continue to engage new employers, introducing them to the portal and resources. Many exciting new features and announcements are expected in July, and we cannot wait to share them!
